

Welcome to
Mrs. Moore's
Kindergarten Class

Meet Mrs. Moore

Please allow me to introduce myself and tell you how very excited I am to have your child in my class. My name is Megan. I was born and raised here in Greencastle and went to South Putnam. My husband and I have twin girls born this past May and two fur babies. I graduated from Indiana State University in December 2017 with my Bachelors in Elementary Education. This is my fourth year teaching Kindergarten here at Central.

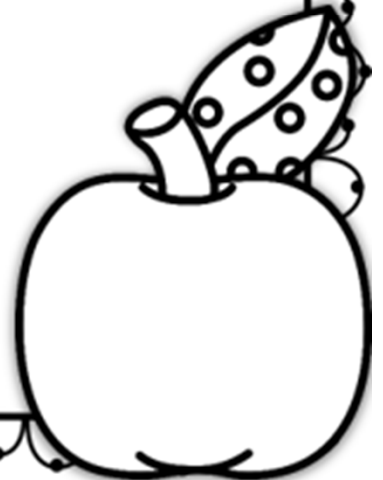

Our classroom will be a safe and welcoming place for all kiddos. I want every child to succeed which means I will be setting high expectations while encouraging each child to do their best. It is important to remember we are a team, and both want what is best for you child. Please feel free to contact me with any questions or concerns. Let's have a great year!

Sincerely,
Mrs. Megan Moore

Class Dojo direct messages

Newsletter

I will be sending home a monthly newsletter on before the 1st of the month. The newsletter will include information about what we are studying in class, important dates, reminders, and special events like birthdays.

Progress Reports

Your child will be assessed monthly on what we are learning. You will receive that report at the end of each month. A "report card" will go home at the end of each semester. Please look over your child's work that he/she brings home daily to stay informed on their academic achievements and struggles.

Take Home Folder

The blue take home folder needs to be brought to school every day. The back of the folder will contain the monthly calendar. Please put any notes for me or the office in the "Return to school" side. Please check your child's folder daily and remove papers before the next day.

Snack

Kindergarteners eat an early lunch here at Central, so we will enjoy snacks on occasion. Please send along a healthy bulk snack {meaning we will share the same snack} for us to share. I will send notes as our stock is running low.

Homework

Your child will have homework to help reinforce the skills we are learning at school. The homework will not have to be returned and we do our best to make it as easy on the parents as possible.

Classroom Expectations

In order for every child to succeed it is important that our classroom run smoothly and have minimal disruptions. I do my best to make my expectations clear so that every child understands what is acceptable in our classroom. Showing kindness is our number one goal. Your child will be expected to

- ♥ Show kindness to their classmates by leaving their hands to themselves and using only encouraging and helpful words.
- ♥ Show kindness to their teachers and adults in the building by being respectful and following classroom/school rules.
- ♥ Show kindness to the school by respecting the items we have in the classroom as well as taking care of their personal items.
- ♥ Show kindness to themselves by having a growth mindset and knowing they can do hard things.

In return I promise to

- ♥ Show kindness to your child by understanding/supporting your child's needs both academically and emotionally.
- ♥ Show kindness by listening to your child and giving them a voice
 - ♥ Show kindness by listening to you and your concerns

If there is an issue at school I do my best to follow this plan
First offense: correct the behavior by reminding the student of the classroom expectations.

Second offense: correct the behavior again and warn student that if he/she chooses to continue an appropriate consequence will be given

Third offense: I will follow through with the consequence that was stated during the second offense.

If the issue continues or the behavior was major and not minor, then I will be contacting you for us to find a solution together.

Schedule:

Daily Schedule:

8:20-11:00 Morning work, restroom breaks, reading block, centers

11:00-11:30 Lunch

11:30-12:30 Math block and restroom break
